Meeting with Bob and Gwen on Thursday, Sept. 26

Given Rosemont is on the agenda, we would invite at least Kathy Goforth to attend in addition to me. It would be nice to have Angeles attend also. I was planning to be the only other person attending from Waste/CED given the agenda.

Thanks!

Hi Teddy. I talked with Jeff and we preliminarily decided Water will take the lead on Rosemont. If Jason Brush is available, I propose to have Jason, Manager of the Wetlands Office, lead the discussion. If Jared wants a DD to play this role, I will lead it, but would still like to have Jason on hand. I know the room will be crowded, but Water will have no ADs present, and Nancy Woo can forgo the meeting if that would make a difference. Thanks, Jane
